

Sprint 0 - PO

Joey Prei

Issues Still Open

Issues for Sprint 1

As a developer, I want a finalized idea of what we will be using for our project

CS506: Architecture

Priority 2_High

#22 Feb 18 - Mar 3, 2026

To do

As a developer, I want skeleton files for the MAIN script

CS506: Architecture

Priority 1_Medium

#23 Feb 18 - Mar 3, 2026

To do

As a developer, I want a layout of how our project will work

CS506: Backend Dev

CS506: Frontend Dev

Priority 2_High

#24 Feb 18 - Mar 3, 2026

To do

Merge Request Practices

Close the Correct Issue

📄 As a developer, I want to have a completed ROLES.md file with our team roles

cdis/cs/courses/cs506/sp2026/team/t_3a/Project_3 #18 · created 1 week ago by Joseph Paul Prei ↗ Feb 4 – 17, 2026

Priority 2_High

Merge Request Titles

- Not the name of the issue
 - Already in the description
- What the merge fixes
- Example:
 - **Issue:** API server crashes when trying to load updated_at field
 - **Merge Title:** API server no longer crashes when trying to load updated_at field.
- No need to put the issue number in the title

Assign Reviewers

- 1 person should approve
- Assign everyone
 - Or at least the current PO and SM

Reviewers

Unassigned ▼

1 eligible member must approve to merge.

[› Approval rules](#)

Use Labels

- Assign Labels to the merge requests
- Issue it solve
- What was modified
- Importance

Filled ROLES.md with everyones roles.
